

True Luxury is always for the handful.

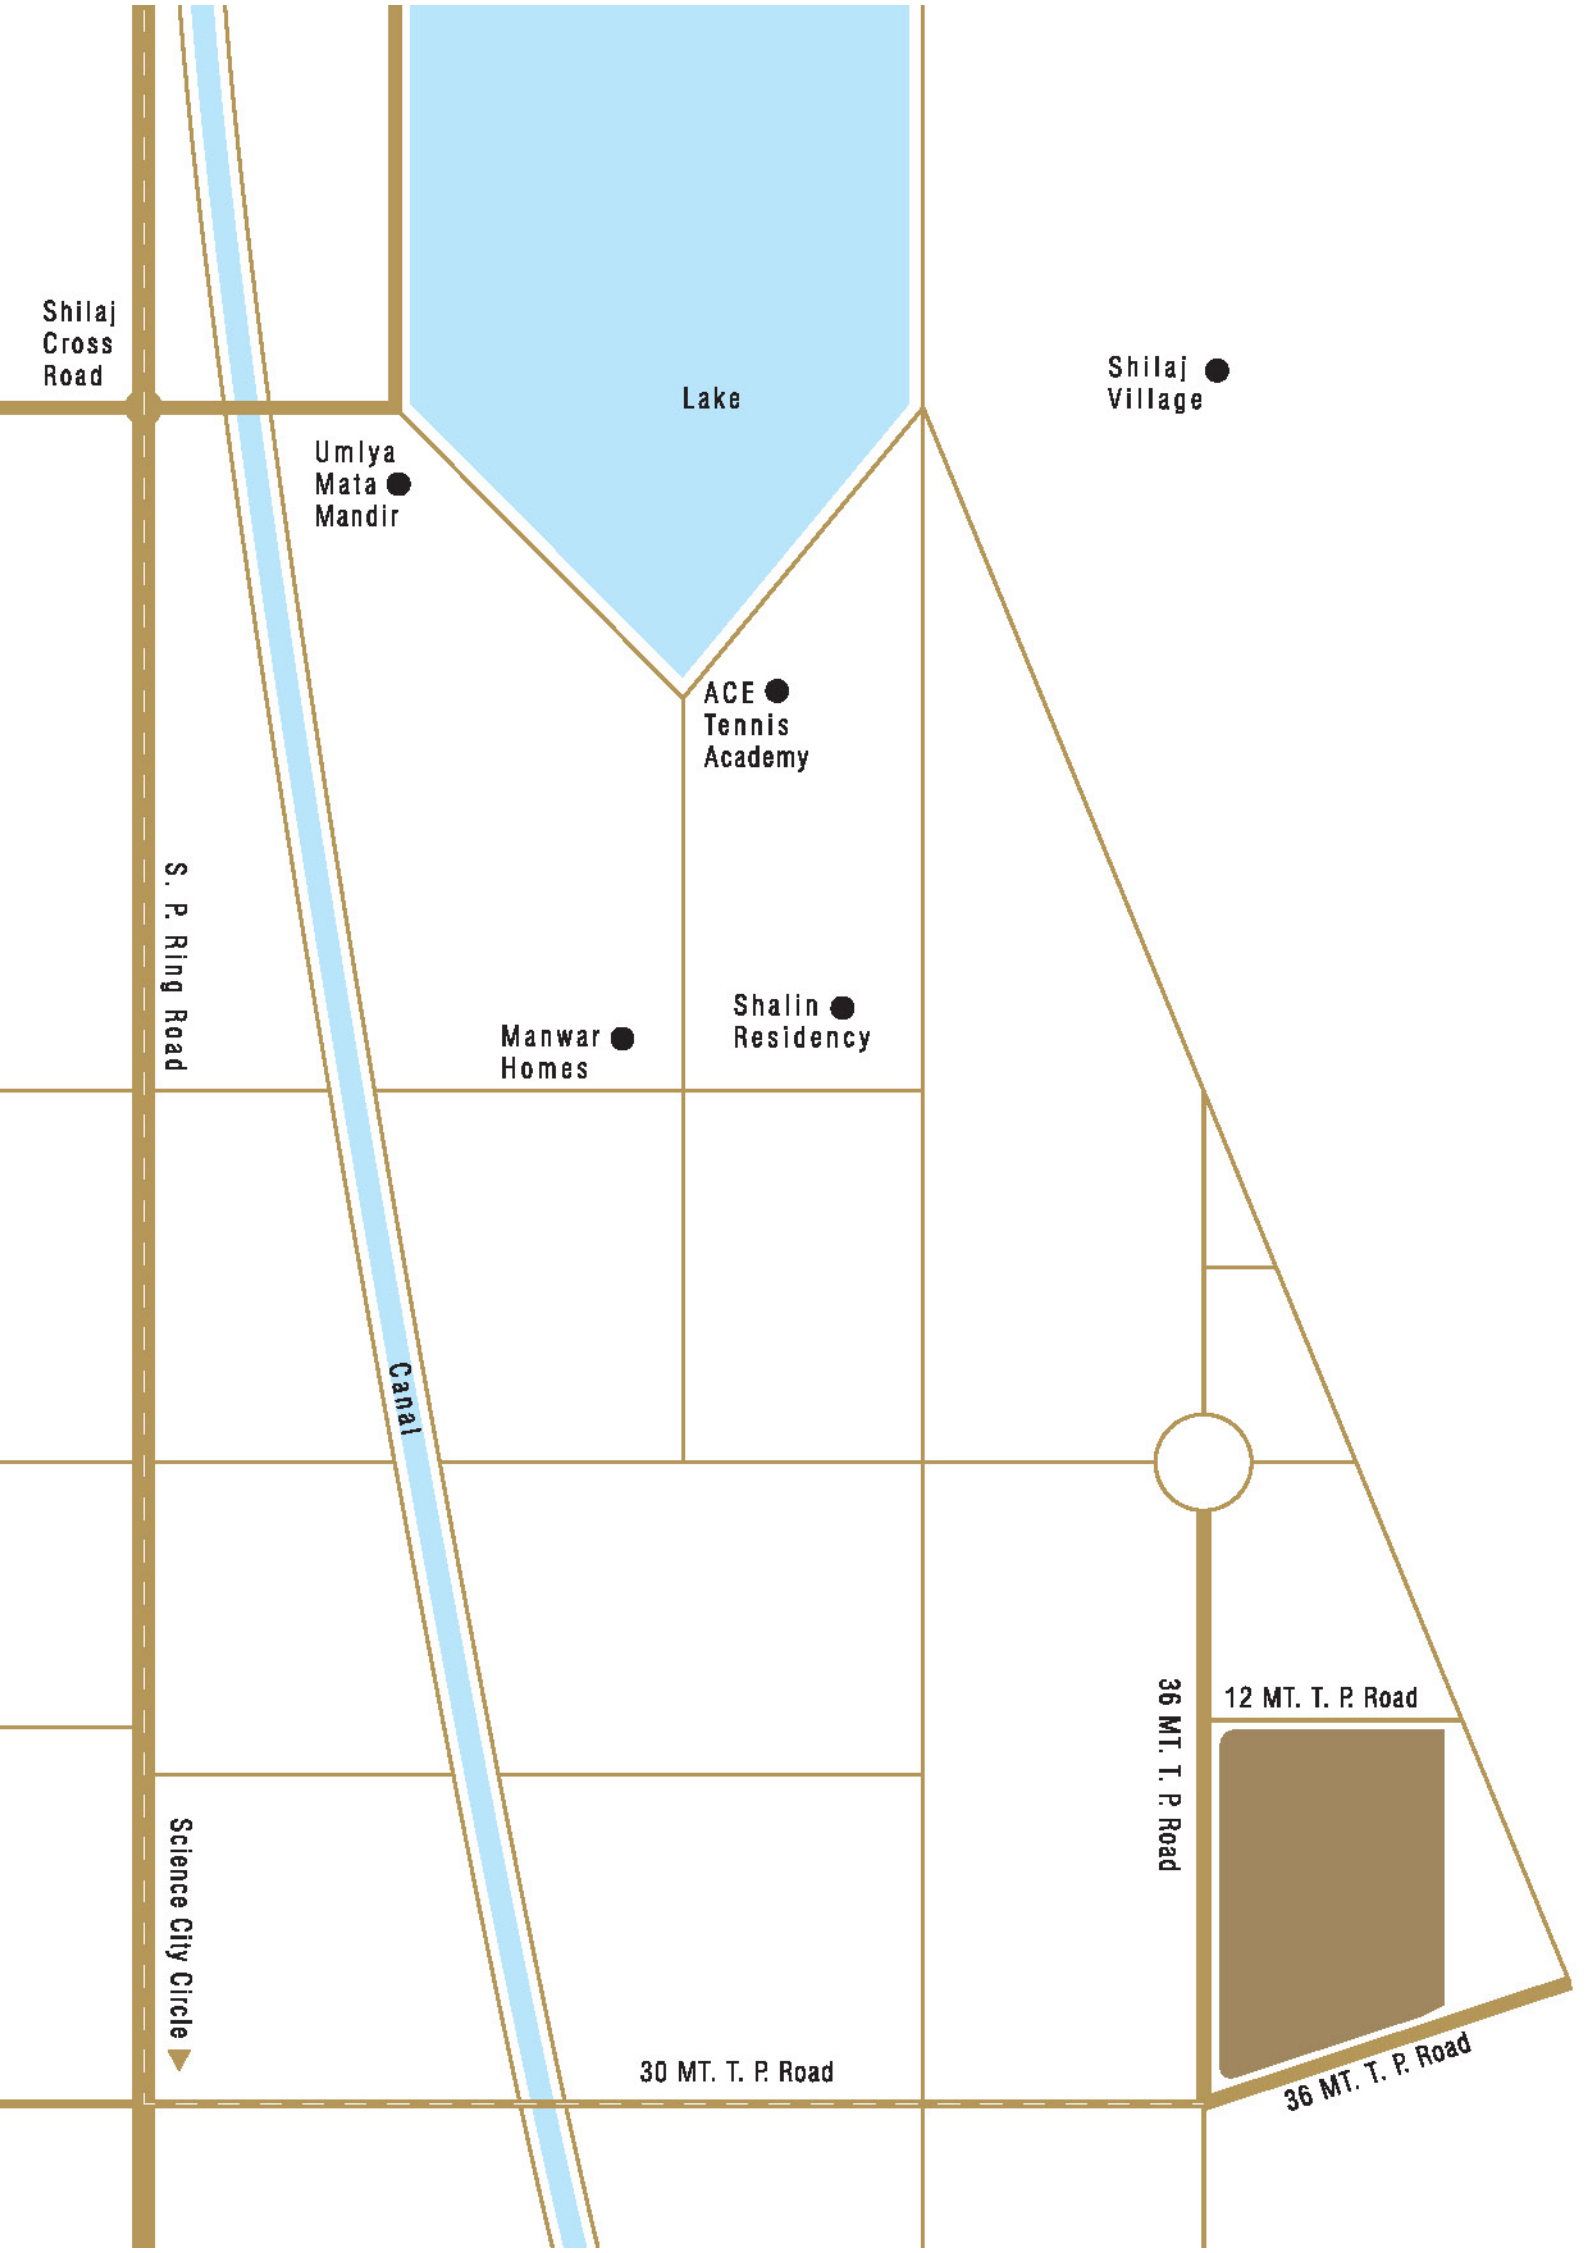

Gala Goldcrest is a premium plotted development  
in the quaint neighbourhood of Shilaj.

Spread across 52,000 sq. yds., it features only 29 exclusive plots  
along with common recreational amenities.

It will have fully developed infrastructure along with  
round the clock gated security.

This is all the privacy you'll ever need and  
you can be at peace with the fact that there aren't such many.
